Dear Healthcare Professionals:

We are glad to inform you that **Sympt-X** (a leading brand name of L-Glutamine supplement) is now available again in the United States. Effective immediately, **Sympt-X** product line will be distributed by Taiwan Specialty Pharmaceutical Corporation (TSPC) and its associates globally, after Baxter International, Inc. and TSPC reached an agreement.

For the USA markets, the following package sizes are offered:

500 grams per jar **item # TS5203**

300 grams per jar **item # TS5204**

15 grams per packet (contains 10 grams of L-Glutamine) **item # TS5207**

60 packets per case of above 15 grams packet also available

To order **Sympt-X**, please visit WWW.TSPCAMERICA.COM or call our toll free (within USA) line at 1-855-479-6789 (1-855-4SYMPTX), or contact your local pharmacies.

Following USA, **Sympt-X** will also be available in Canada and selected South American markets shortly after product registration approvals. Many thanks for your patience during this transitional time period; we appreciate your continued support to Sympt-X.

My best regards,
